

**Stanwood-Camano School District
2016/17 Athletics Participation Fee Schedule Grades 7 – 12**

Due to the rising costs associated with the Stanwood-Camano School District’s athletic programs, and the statewide educational budget reductions, the District has approved an Athletics Participation Fee. The fee must be paid when the athlete makes the team and before the first competition.

Parents of students who **qualify** for the National Free and Reduced-Price meal program (NFRP) and have a current application on file with the district office are eligible for a free or reduced athletic participation fee. **A copy of the Notice of Eligibility for Free or Reduced-Price Meals OR a print out from Family Access* must be provided by the guardian and given to the athletic department, in order to take advantage of either the free or reduced-price athletic fee.** (Applications for the NFRP are available on-line, at all schools, and the district office). Parents are responsible for completing and submitting the required paperwork.
