**Star Wars LEGO Teaches:**  
**Creative Thinking**  
**Speaking and Listening**  
**Language Arts**

In this LEGO® class students will learn storytelling with the help of the Skywalkers! Students will build and share stories from Star Wars combined with their own imaginations, prompting them to find solutions to everyday problems. This class is sure to be a LEGO® FORCE as students learn the ins and outs of storytelling; including character development, the story arc, setting and much more!

**LEGO® Architecture Teaches:**  
**Scale + Design**  
**Spatial Planning**  
**Architectural Concepts**

LEGO® Architecture Minecraft Adventures is a new class, which will allow students to build Minecraft inspired creations! With the resources provided, students will rise to challenges including building structures in different biomes, and discuss how buildings can be utilized to defend against danger. They will also face challenge scenarios in which they must build to save Steve and Alex from the perils of Minecraft!

Scholarships are available.
