**INFORMATION FOR PARENTS**

Clothes For Kids provides free school clothing to lower-income students. Any child who attends school in Snohomish County or the Northshore School District (Head Start/ECEAP through 12th grade) and requests help qualifies for Clothes For Kids. Clothing is distributed from August through the end of March.

Students/parents may request our *Requisition for Clothing* form directly from their school nurse, office staff, or counselor, or from social service agency staff. The form has all the information you should need on it. **Please bring the form with you when you come to shop for clothing and shoes.**

**This year, we are doing things a little differently – families will schedule an appointment online for each student shopper and arrive at Clothes For Kids at the designated appointment time. We are also requesting that only one parent/guardian accompany the student to the appointment.** With the new appointments system, each family can have the space and time necessary to pick out clothing for their student(s) while maintaining social distancing. **If a family has more than one student shopper, separate appointments should be scheduled for each child with only one student from the family shopping in a 30-minute time slot. For example, if the family has three student shoppers, they should schedule three appointments in a row (9:30 a.m., 10 a.m., and 10:30 a.m.).**

If you have any additional questions, please do not hesitate to email [office@clothesforkids.org](mailto:office@clothesforkids.org) or call 425-741-6500.

## Clothes For Kids – COVID-19 Safety Measures

1. **Shop Cleaning** – The Clothes For Kids shop is fully cleaned and sanitized each day immediately before and after each shopping shift.
2. **Limited Number of Shoppers** – We will limit the number of shoppers in the store at one time and maintain occupancy standards outlined for retail establishments in Phase II, which is 30% of our maximum occupancy.
3. **Appointments** - We are implementing an appointment system beginning in August to control the number of shoppers in the store at one time. We **will not** have a traditional opening week event as we have had in the past.
4. **Wardrobes for Pick-up** - If students/families are uncomfortable coming in to shop right now, we can pull clothing for the students and set a time for the family to pick it up at the Clothes For Kids shop (take-out style) within one week.
5. **Masks** – Everyone inside the store must wear a face covering. Please bring your own mask if possible. Disposable masks will be available at the entrance.
6. **Gloves** – Disposable gloves will be available at the entrance.
7. **Social distancing** – We will be installing plexiglass shields at each counter, placing social distancing markers on the floor, designating one door as the entrance and one door as the exit. All shoppers and volunteers must remain at least six feet from other volunteers and shoppers whenever possible.
8. **Temperature check** – Everyone must have a touchless temperature check before they enter the store. Anyone with a fever will not be allowed to enter and shop.
9. **If you feel ill**, we ask that you to please not come in to shop or volunteer.
